President: Mike Ward m1ward@cinci.rr.com	Treasurer: Tom Owens towens@cinci.rr.com
Vice President: Dave Reeves dlreeves29@gmail.com	Membership: Ted Everett ceverett@fuse.net
Secretary / Editor: Rob Schorry rschorry@cinci.rr.com	

Our **next meeting** will be **Sunday, Oct. 1, 2017**, from 2 – 4 PM. The club normally meets at Eastminster Presbyterian Church, 4600 Erie Avenue, Madisonville, Ohio 45227 on the 1st Sunday of each month. The September meeting will be on Sep. 10, so as not to overlap with Labor Day weekend.

Annual Cincinnati Scale Modelers membership fees are \$15. You do not have to join the national organization to join our club. If you do NOT renew by April we will purge (or try to) your name from our rolls and you will not get the newsletter by mail or e-mail. Please renew. Thank you.

IPMS/USA national membership fees are \$25 a year and include the IPMS/USA Journal. If you are a member of the IPMS/USA you can enter models into the national contest. See www.ipmsusa.org for details.

Finances – Club finances are sound. Our Treasurer Tom Owens has a detailed statement available if you wish to examine it.

Raffle & Door Prizes – Prize tickets are available for sale (\$1 each), which supports ongoing raffles and having fun! Our raffle policy, confirmed by a formal proposal of these rules and a vote by the members present on March 9, 2014: “Everyone who is a *current* member gets ONE door prize ticket for attending the meeting. Members get a 2nd door prize ticket if they bring a model. First-time visitors get one free door prize ticket for being with us.”

If you win something in the raffle and don’t want it please consider offering it at auction before donating it to the VA. You can earmark the funds from any auctions to buy kits more suited to the VA’s needs, or keep the money for yourself. The skill level of some of our prizes is high. Those kits may be frustrating for someone getting into the hobby as therapy. We can find deals on those simpler kits and don’t mind scrounging for them for the VA.

Door Prizes	Raffle Prizes	
Lindberg 1/48 th Gladiator Mk II	1/48 Eduard Fokker D.VII	Airfix 1/72 nd Mig 15 & F-86
Zvezda 1/48 th Yak 3	Tamiya 1/48 th Spitfire Mk 1	DML 1/35 th Sherman IIIDV
Hobbyboss 1/72 nd HH-60H	Revell 1/32 nd He 162	Tamiya 1/35 th Stug IIIB
		DML 1/35 th Panther A

Show and Tell – One of the reasons to be in a model club is to build models. Bring in a model you are working on or just got done and be prepared (if you wish) to tell your fellow modelers what you are doing, the challenges you have overcome or are trying to work out. Show off your skills, share your knowledge and gain some besides. ☺

Possible demo of the “Quick Wheels” armor tool at the September meeting by Ted Doctor?

VA project(s) – The Cincinnati Scale Modelers VA Support group (CSMVASG – got a better acronym?) continues to staff model building sessions at the VA hospital in Clifton. Volunteers work with veterans on the scale modeling hobby, helping them build, share stories, etc every Tuesday from 9 – 11:30. Call Tom Owens if you are interested in helping. (513) 351-1582 The VA Medical Center always needs kits appropriate to the skills of the patients. Just now a new bunch has started starting so snap-tite kits would be a help, if you have any to donate.

Interested in writing an article or taking photos? The *CSM Debrief* is looking for original info on models, workbench techniques, or Roadside Relics you may see. Send them to the editor for possible publication. The “Debrief” is available by post or email (to save postage, trees, and hassle, I recommend email!). It is also posted each month on the CSM club website. We also have a Facebook page so search for “Cincinnati Scale Modelers”

Wants & Disposals - If you have a want or a disposal, please call (513) 489-5387 or send email to: rschorry@cinci.rr.com

2017 CSM Contest Rules

1. Models that have won or placed at IPMS Nationals, Regional's or past CSM events may not be entered, but may be displayed at no cost
2. Pre-assembled or partially-assembled scale replicas and die-cast models are eligible for competition only if, in the opinion of the judges, they contain significant changes in structure, paint scheme and markings so as to represent the handiwork and skills of the modeler, *not the manufacturer*
3. Entries will be judged using the following criteria: Basic construction, overall finish, additional detailing, authenticity, and degree of difficulty. Scratch built detail will be favored over commercially manufactured detail if quality is comparable. Extra detail will not make up for a poorly constructed model. IPMS National Rules shall be considered as guidelines.
4. Contest registrars shall determine the classification of each entry. In the event of questions regarding placement, the Head Judge will have the final decision. The following guidelines will be observed:
 - a. Markings will determine service, nationality and civil vs. military usage.
 - b. Jet includes rocket-powered craft.
 - c. Military missiles are considered artillery.
 - d. Emergency vehicles (police/Fire etc.) will be considered commercial vehicles.
 - e. Hypothetical models will be entered into the most appropriate Category / scale.
 - f. Vacuumformed models will be considered scratch built / conversions.
5. Bases WILL NOT be considered in the judging of models entered in non-diorama Categories. However, entries where the base is deemed by the judges to be a predominant feature of the model or those depicting a scene MAY BE MOVED at the judges discretion to the appropriate Diorama Category. All dust covers must be removed prior to judging.
6. Scratchbuilt, Conversion, & Major Modifications Category:
 - 6A. A "Conversion" entry must contain significant structural changes involving extensive changes in contour or configuration. Entries using aftermarket parts or kits to effect the conversion will be included in this classification.
 - 6B. "Scratchbuilt" entries may use parts from existing kits but their use should be unrelated to their original purpose, with the exception of guns, wheels, tracks, etc...
7. An individual entrant may not win more than TWO awards per Category or split category. No sweeps.
8. Cincinnati Scale Modelers club members will be eligible for only one award in a Category or split category.
9. Judges' decisions are final. Interference with the judges can result in an entry's disqualification.
10. A Category must have at least 3 separate contestants to be judged. In the interest of competition, at the judges' discretion, entries in an under-represented category may be combined into another similar Category. Also, at the judge's discretion, a category may not be judged and awarded if the models represented in the category can't be realistically judged because the model types are considered too dissimilar in type.
11. Cincinnati Scale Modelers/IPMS Cincinnati, its members, agents, or officers assume no liability or responsibility in the case of accidents involving attendees, equipment, merchandise, models, displays nor for property lost, stolen or damaged.
