We build history and Imagination

October 2026

A Message From The Prez

Just wow! Once again, we have shown why Cincinnati Scale Modelers is one of the best clubs in Region IV. This year's show was the biggest in six years! We had an increase of models on display in all the categories! The stats are as follows:

- Total models: 477 – a 25% increase over 2025
- Number of paid museum admission: 310
- Number of paid model competitors: 99

While walking around throughout the day, I heard only positive feedback and when the show was wrapping up, several vendors had already requested a date for next year! New for this year was a quick 5-question survey on SurveyMonkey.
Below are the results:

- 100% of the respondents rated our show 5 Stars! (none of the respondents were vendors)
- 67% used the website to read, download and fill out forms
- 80% stated they shopped at more than two vendors
- 70% spend $100 or less (not including show fees) and 20% spent between $100 - $250

When asked "Is there anything we can do better?" some of the responses were:

- It's perfect!
- No comments! We had a wonderful time!
- Thanks for having an awesome show.

The most distant zip code of a survey participant came from suburb of Chicago, IL.

Thank you to our membership for their hard work and contributions making this show a tremendous success.

Happy Modeling!
Will

Gecko models present their 1/35th-scale Vietnam-era US Navy Patrol Craft Fast (PCF) Mk.1. "Swift Boat" in CADs & art We look at it in our preview... (coming in November!)

CSM Juniors

We continue to have wonderful meetings and continue to grow. Thank you to Steve Smith for organizing display cases at the Mid-Pointe Library in West Chester. The kids have several models on display for the next month for the public to enjoy.

Steve operated a sales table at the October show which raised enough funds for the Junior club to purchase glue and additional tool kits.

Congratulations to Declan Salyers for winning Best Junior Modeler at the October show in Cincinnati. *Photo Credit: Ben Moermond*

Huge congratulations also goes to Will Evans. He won 1st place at the 50th *Pumpkin Run Nationals* held at the Clermont County Fairgrounds. *Photo used by permission*.

Thank you to all of the parents who volunteered and helped at the model show! We appreciate you!

Note: The next Junior meeting will be
Sunday, November 8
2:00 – 3:30 pm
Larosa Pizza Lakota-Wester Chester
